## INDUSTRY EXPERIENCE

### Art Department Assistant

Intermission (student short film)

National Film and Television School, Beaconsfield

August 2023 - December 2023

Production Designer: Margarida Caetano Dias

As a volunteer Art Department Assistant on a stop-motion animation short film, I assisted the Production Designer with building, assembling and painting structural elements of the set, always in keeping with the film's watercolour aesthetic.

## OTHER EXPERIENCE

### Morris + Company, London

January 2021

As an intern, I assisted in an affordable and specialist housing development project located in Dagenham. My role included carrying out research and designing options for the massing arrangement and interior layout of the specialist units for residents with Autism Spectrum Disorder.

### University of Westminster + Imperial College London

November 2020 - February 2021

Co-production workshop on Mental Health, Design and Wellbeing. I worked in a team of architecture and medicine students, coming up with a hypothetical redesign of an NHS family therapy room.

### University of Westminster + SOM

December 2019

I participated in the Architectural Media Workshop, a digital fabrication project which involved using 3D printing and CNC machinery to recreate structural details of the architectural practice Skidmore, Owings and Merrill's USAFA Cadet Chapel.

### Dunelm, London

November 2016 - July 2018

I was a customer assistant in the textiles, haberdashery and window treatment departments.

### Centre for Housing and Urban Studies and Projects, Fluminense Federal University, Brazil

August 2012 - May 2014

I was part of a multidisciplinary team working on research and land regularisation projects in informal settlements in the state of Rio de Janeiro, Brazil.
